Why not start the day with some fresh air and fresh thinking

Nadine Harvey and Kellie Wright, Partners at Forsythes Business Advisors invite you to join their new initiative, a women's only walking group.

No suits, no name badges, no set agendas.

All you need is comfy clothes and joggers and you are ready to go.

Each month we will be walking for approximately 45mins around Newcastle's CBD and surrounding suburbs.

Afterwards we invite you to stay on for refreshments and a chat at a local cafe.

When: The last Tuesday of every month

Time: 7.00am start. 7.45 – 8am for coffee.

Location: Our walks will take place at various locations in Newcastle. A meeting place will be sent out each month with the new venue.
